The weekend is free in exchange for your efforts.

### Weekend Schedule:

Saturday, May 16: Work projects all morning and afternoon. Evening games and music.

Sunday, May 17: Informal morning church service and continued projects into the afternoon.

Departures rolling throughout the day. Sunday lunch is the last served meal.

You are welcome to stay and work longer through the following week if you are available. Please let us know so we may make arrangements.

### Projects:

Cleaning summer cabins; clearing trails; setting up waterfront, barn, and arts & crafts areas; putting up teepees; taking down storm windows; and more! We'd love to hear from you if you have specific handyman skills – especially carpentry or electrical. We have a couple specific construction projects on tap this year: steps on Kiya and a new Council Fire area dock!
